for Third Party Energy Efficiency Services**

**PREAMBLE**

This call agreement ("Agreement") is made and entered into in the City of Santa Clara, California, on this \_\_\_\_ day of \_\_\_\_\_ 2008 ("Effective Date"), by and between the City of Santa Clara, California, a chartered California municipal corporation, with its principal place of business located at 1500 Warburton Avenue, Santa Clara, California 95050 ("City") and Quantum Energy Services & Technologies, Inc. (QuEST), a California Corporation, with its principal place of business located at 2001 Addison St. Ste. 300, Berkeley, Calif., 94704 ("Contractor") or ("QuEST"). City and Contractor may be referred to herein individually as a "Party" or collectively as the "Parties" or the "Parties to this Agreement."

**RECITALS**

Whereas:

- A. Contractor agrees to provide certain professional services to City on an on-call basis;
- B. Contractor has the ability and desire to provide the quality and type of professional services which meet the objectives and requirements of City as set forth in this Agreement; and,
- C. The Parties have specified in this Agreement the terms and conditions under which such services will be provided to and paid for by the City.

In consideration for the mutual promises contained in this Agreement, the Parties agree as follows:

**AGREEMENT PROVISIONS**

**1. SCOPE OF SERVICES**

- 1.1 To the extent possible, the professional services to be provided under this Agreement shall be performed in the City of Santa Clara and the services shall be described in detail by the Contractor and submitted in a written proposal to the City ("Services"). The Contractor's final proposal will be included as an exhibit entitled, "Scope of Services" attached to a subsequent agreement between the Parties referred to in this Agreement as a "Call" or a "Call for Services." Each Call will incorporate the terms of this Agreement by reference and must be signed by both Parties. Contractor agrees to provide professional services to the City as specified in each respective Call, to the extent funds have been authorized by the City.

- 1.2 No Services shall be performed or paid for under this Agreement except as specifically set forth and required in a written Call. No compensation may be sought under this Agreement for work performed prior to the issuance of a Call or for work to be performed or paid for under another contract. No compensation shall be paid in excess of the maximum dollar amount indicated in each respective Call for Services.
- 1.3 The Parties acknowledge that on the Effective Date of this Agreement, they are unaware of the details of all of the services which may be needed by City or provided by Contractor during the term of this Agreement. The Parties intend to specify the details and value of such Services in a subsequent Call, if any. This Agreement does not require that any Call(s) be signed. The Parties intend to provide the details of the contractual relationship between the Parties in this Agreement, so that by incorporating the terms of this Agreement in the Call(s), the Call may be brief and address the specific Services to be provided, the details of the time when the Services are to be provided and the schedule and amount the Contractor is to be paid for such Services.

## 2. PAYMENT

- 2.1 **Not to Exceed Maximum Amount.** The total amount billed to, and paid by, City for Services provided and authorized expenses incurred under a Call shall not exceed the maximum dollar amount specified in the Call. Contractor shall complete all Services contained within the scope of a Call regardless of whether the not to exceed amount has been reached, at no extra charge to the City. However, Contractor shall not perform any Services outside the scope of the Call without prior written authorization when the amount billed for under a Call exceeds the maximum dollar authorized amounts in the Call.
- 2.2 **Monthly Invoices.** Unless provided otherwise in a particular Call, payment to Contractor shall be in accordance with the procedures in this paragraph 2.2 and in paragraph 2.3. On a monthly basis, Contractor shall prepare an invoice which includes an itemization of all time spent based on the percent of Services complete, as well as any Authorized Expenses incurred (i.e., Out-of-Pocket Costs, Sub-contracted Services and/or Extraordinary Expenses).
- 2.2.1 If a particular Call directs that an invoice be presented in a format of a time sheet rather than as a percentage of Services completed, the itemization on each monthly invoice shall set forth the amount of time (recorded in quarter hours), the name of the employee performing the task and a description of each task performed. After setting forth the time spent on a daily basis, the itemization will provide a summary, at its end, of the total hours spent by each employee for the month, the hourly rate charged for that employee, and the total value of the service rendered by that employee for the month. The amount billed for Services shall then be determined by adding the value for the Services rendered by each employee for that particular month.

- 2.2.2 All monthly invoices shall also include a written itemization of the Authorized Expenses incurred, if any, with a detail listing the cost and source of such expenses and when they were incurred.
  - 2.2.3 Contractor shall maintain documentation of such time and costs for City inspection for a period of three (3) years from the date of termination of this Agreement.
  - 2.2.4 Within thirty (30) days of receipt of an itemized written invoice from the Contractor, City shall pay Contractor the amount billed for Services performed and authorized costs incurred under the Call during that billing period.
- 2.3 **Authorized Expenses.** The amount billed for Services shall be determined as set forth in paragraph 2.2 above plus the following amounts, if allowed under the Call:
- 2.3.1 **"Out-of-Pocket Costs".** Contractor's Out-of-Pocket Costs are those expenditures made by Contractor, other than employees' salaries and payment for Services of retained specialists, which are directly chargeable to the Services performed and which would not otherwise have been incurred by Contractor. Unless otherwise provided, the Out-of-Pocket Costs must be approved in writing in advance by City and may be billed to the City and reimbursed to the Contractor only as specifically authorized and set forth in each respective Call. Authorized Out-of-Pocket Costs shall be billed without additional markup or administrative charge;
  - 2.3.2 **Per Diem.** A Call will state whether or not it includes an estimate for anticipated travel expenses. If the Call does not include an estimate for anticipated travel, then the provisions of this paragraph shall apply. A Party's travel expenses include airfare, rental car, or mileage, lodging and meals. The Party who is receiving the services pursuant to a particular Call, is the Reimbursing Party. Prior to incurring any charge for travel, the Party planning to travel ("Traveling Party") shall (1) confirm that the Reimbursing Party is available for meetings on the proposed dates and (2) provide (either verbally or by facsimile) a price quote to the Reimbursing Party for the anticipated airfare prior to the charge being incurred, the Reimbursing Party shall either verbally or by facsimile confirm that the airfare may be incurred; in the event that the Reimbursing Party verbally confirms that the airfare may be incurred, the Traveling Party *shall* confirm in writing (prior to incurring the charge) that the Reimbursing Party has agreed to the charge. All travel expenses shall be reimbursed at cost, with no mark-up. Hotel rooms shall not exceed a cost of \$125 per night unless otherwise agreed by Reimbursing Party. Airfare and car rentals shall be reimbursed at economy class, unless economy class is unavailable through no fault of the booking party. Mileage, if applicable, shall be reimbursed in accordance with the current IRS

guidelines for mileage reimbursement. Reasonable attempts shall be made to make plane reservations in advance in order to take advantage of lower fares. In the event that travel plans must be canceled or re-scheduled due to the fault of the Reimbursing Party, then the Reimbursing Party shall pay for any costs associated therewith; if the travel is canceled or re-scheduled due to the fault of the Traveling Party, then the Traveling Party shall bear the expense. Invoices for travel expenses shall be supported by receipts, and shall be reimbursed in accordance with paragraph 2.2.1. Meals, if reimbursed, shall not exceed fifty dollars (\$50) per day.

**2.3.3 Any authorized "Sub-contracted Services" incurred by Contractor.** Authorized Sub-contracted Services are services provided by a retained specialist or sub-contractor and may be billed to City only if specifically described and authorized in a Call. (Retained specialists and sub-contractors shall include individuals or organizations offering qualified special services to City who are particularly skilled in one or more fields and who may be occasionally employed by the Contractor to fill the need for special or unusual services. Unless otherwise provided, the cost of furnishing such special services must be approved in writing in advance by City and the costs billed to City and reimbursed to the Contractor shall be only the actual charges of the retained specialist or sub-contractor, without additional markup or administrative charge); and/or,

**2.3.4 Any other authorized "Extraordinary Expenses" incurred, if any, as set forth in the Call.** Authorized Extraordinary Expenses shall be billed without additional markup or administrative charge.

**2.4 Retainer or Flat Fee for Services.** The Parties to this Agreement may, from time to time, determine that payment for a certain Scope of Services set forth in a Call pursuant to this Agreement should be made to Contractor on a retainer or flat fee for Services basis ("Stipulated Fee"). If the Parties so agree, then the provisions of this paragraph and the provisions of paragraph 2.2.1 shall apply, unless the Call provides otherwise. The Call shall set forth the maximum monthly or annual fee agreed to by the Parties as it relates to any Agency Fee or to any Out-of-Pocket Costs, and Contractor shall not exceed the amount(s) agreed to without written approval of City. The maximum Agency Fee agreed upon by the Parties is deemed to fully compensate Contractor for all work necessary for Contractor to complete the Scope of Work set forth in a Call.

### **3. RIGHT OF CITY TO INSPECT RECORDS OF CONTRACTOR**

City, through its authorized employees, representatives, or agents shall have the right during the term of this Agreement, and for three (3) years from the date of final payment under this Agreement, to audit Contractor's books and records for the purpose of verifying any and all charges made by Contractor in connection with Contractor's compensation under Calls made pursuant to this Agreement, including termination of Contractor's Services. Contractor

agrees to maintain sufficient books and records in accordance with generally accepted accounting principles to establish the correctness of all charges submitted to City. Any expense not so recorded shall be disallowed to Contractor.

#### **4. PROSECUTION OF WORK**

Contractor shall perform the Services required under this Agreement and the Call(s) made pursuant to it in an efficient and expeditious manner. Contractor shall commence work on the Effective Date specified in the applicable Call. Contractor is responsible for any delays caused by Contractor, its agents or subcontractors, or caused by factors directly or indirectly under its control. No extension of time for performance shall be given for such delays.

This Agreement, and any portion of the Scope of Services described in any Call including but not limited to any specific task, project, study, advertisement or campaign, may be terminated by the City upon written notice delivered personally or by registered mail or equivalent mail or delivery service which provides for an office signature of receipt. With regard to termination of any portion of the Scope or any specific task, termination will be effective immediately, unless economic or practical considerations result in the Parties mutually agreeing to a specific termination date.

- 6.1 If such termination is due to the fault of Contractor, and if City agrees to make payment for all work and Services satisfactorily rendered up to the Effective Date of Termination, payment will be made within thirty (30) days of receipt of a statement for work and Services performed. Contractor shall immediately take proper steps to effect City's instructions, canceling any commitments previously authorized by City, if City so requires. City may deduct from such payment the amount of actual damage, if any, sustained by City by virtue of the failure to perform the Services or for breach of this Agreement by Contractor.

- 6.2 If such termination is not due to the fault of Contractor, then City agrees to make payment for all work and Services rendered up to the Effective Date of Termination within thirty (30) days from receipt of a statement for work and Services performed. Contractor shall immediately take proper steps to effect City's instructions, canceling any commitments previously authorized by City, if City so requires. City shall reimburse Contractor for any costs, expenses or service charges incurred by Contractor as a result of canceling previously authorized outsourced services.
